BENEFITS OPEN ENROLLMENT CONTINUES THROUGH OCT. 17

This is a reminder that the Benefits Open Enrollment period is currently underway through Oct. 17. Open Enrollment allows benefits-eligible employees not already enrolled in a health or dental plan to do so. For those already enrolled, Open Enrollment provides the opportunity to change health or dental carriers, enroll or cancel Flex Cash participation, and add eligible dependents. All changes made during Open Enrollment will be effective Jan. 1, 2009.

This is also the time to enroll (or re-enroll) in the Health Care Reimbursement and Dependent Care Reimbursement Account plans for the 2009 tax year. These plans provide a perfect opportunity to pay for out-of-pocket health and dependent care expenses with pre-tax dollars. To continue participation, you **must re-enroll** each year during Open Enrollment.

You will find highlights, new premium rates, and instructions for submitting requests to Human Resources in the Open Enrollment Newsletter located on the Human Resources Web site at <http://www.afd.calpoly.edu/hr/benefits/whatsnew.html>, as well as in the Human Resources Office, Administration Building, Room 110. **Only Enrollment Worksheets received in Human Resources by the end of the day on Oct. 17 will be processed.** Questions can be directed to Human Resources at ext. 6-5436.

Also of note, important changes are coming soon to the TSA Program. In late October, current TSA plan enrollees will receive instructions on how to continue in the program. Action will be required for continued participation. As information becomes available, it will be posted on the Benefits "What's New" Web site noted above.
